

American Village, an 188-acre campus in Montevallo, Alabama, became chartered in 1995 and has since educated and inspired over 750,000 children as well as adults across the southeastern United States. American Village has welcomed thousands of public visitors each year for a true American Experience.

Before founding American Village, Tom earned his bachelor's degree, with honors, in history and political science from the University of Montevallo and his master's degree in political science from Mississippi State University.

Tom Walker is the former City Manager of Northport, Alabama, and served as the Special Assistant to the President of the University of Montevallo. He is also the former Vice Chair of the Board of Trustees at the University of Montevallo and was the founding chair of the AL Higher Education Partnership.

Since founding the American Village, Tom has received numerous awards and honors. In 2017, he was one of only sixteen private citizens appointed to the Semiquincentennial Commission to organize the 250th birthday celebration of the United States of America. In December of 2020, Tom was conferred the Honorary Doctor of Laws by Troy University. He is a past recipient of the American Bar Association's highest national award for excellence in K-12 law-related education. He is the recipient of the DAR Medal of Honor and the SAR Gold Citizenship Medal, the highest national honors awarded by the National Societies of the Daughters of the American Revolution, and of the Sons of the American Revolution, respectively. He has received numerous other state, regional and national awards and was named as Birmingham Citizen of the Year by The Women's Committee of Birmingham in 2014.

Tom once said, We must build good citizens and leaders who will cherish these ideals, and thereby learn to love our country, and what an incredible job of that he has done these past 35 years working with the students of the southeast.

Upon his retirement, Tom looks forward to spending more time with his wife, Betty, three children: his son, Matt and wife Candace; his daughter, Jane Herndon and her husband Josh; and his son Jefferson, along with his grandson, Wells Thomas Herndon. He will continue to maintain an office and an active part-time Founder and Director-Emeritus position at the American Village, as he continues to prepare the nation's youth to become leaders.

Since my own appointment to the United States Semiquincentennial Commission, I have had the honor to serve alongside Tom. I have grown to admire and respect his great love for American history, his solid values and his strong faith in God, which are the foundations that have made this nation great. It has been a privilege to work with him on this commission, but more importantly to call him my friend. I look forward to his continued service in that role.

As a community leader, educator, and friend, Tom Walker has touched the lives of countless Americans, including myself. Therefore, I ask you to join with me in congratulating Tom Walker on an inspirational 35 years of work and service to Montevallo, the State of Alabama, and the United States of America.

PERSONAL EXPLANATION

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 11, 2022

Mr. GOSAR. Madam Speaker, on Thursday, March 3, 2022, this body considered amendments and final passage of H.R. 3967, the Honoring our PACT Act. One amendment voted on before this chamber was Mr. Ryan of Ohio's amendment number 23 which added the text of the SFC Heath Robinson Burn Pit Transparency Act to the bill.

While I did not support final passage of this bill, I did support several of amendments offered to it. Amendment 23 was one such amendment. Due to error on the House floor, my amendment was incorrectly cast as no.

This was an error and I rise today to correct my vote and indicate that I intended to vote yes, in favor of amendment 23. While I have issues with the underlying bill, this amendment was a strong addition to ensure we provide an adequate level of care to our nation's veterans who are suffering from toxic exposure during their service to this country.

Madam Speaker, I reiterate that I intended to vote in favor of amendment 23.
